

DURHAM PROFESSIONAL HOME DAY CARE INC.

presents

The Reading Readiness Program

"PHONICS FACTORY"

Identifying upper and lower case letters, word and sound association.

Your child will learn through songs, games and craft activities

- * Practice developing language skills
- * Begin learning to read and write
- * Respond to literature
- * Develop a larger vocabulary

Location: 1367 Altona Road, Pickering
Instructor: Lisa Medica

. Lisa graduated from the Early Childhood Education Program at Durham College. She works as a Teacher at Altona Road Day Care Centre and feels that phonics is an extremely important component for your child's learning and personal development. She is looking forward to sharing her knowledge and enthusiasm with the children.
